

The warranty your car would choose...

Why do I need a warranty?

We ensure every effort has been made to supply you with a reliable and well-prepared vehicle. Unfortunately, mechanical and electrical components can fail suddenly, leaving you with the inconvenience and financial burden of such an event.

Our solution.

To keep your motoring as stress free as possible, we supply a Bluechip Warranty within the purchase price of your vehicle. This can be upgraded at point of sale, to give you complete peace of mind for a maximum period of three years.

Levels of cover

There are 3 different levels of cover available.

Select:
This level covers major (factory fitted) mechanical and electrical components.

Comprehensive:
As the name suggests, this is a comprehensive list of (factory fitted) mechanical and electrical components.

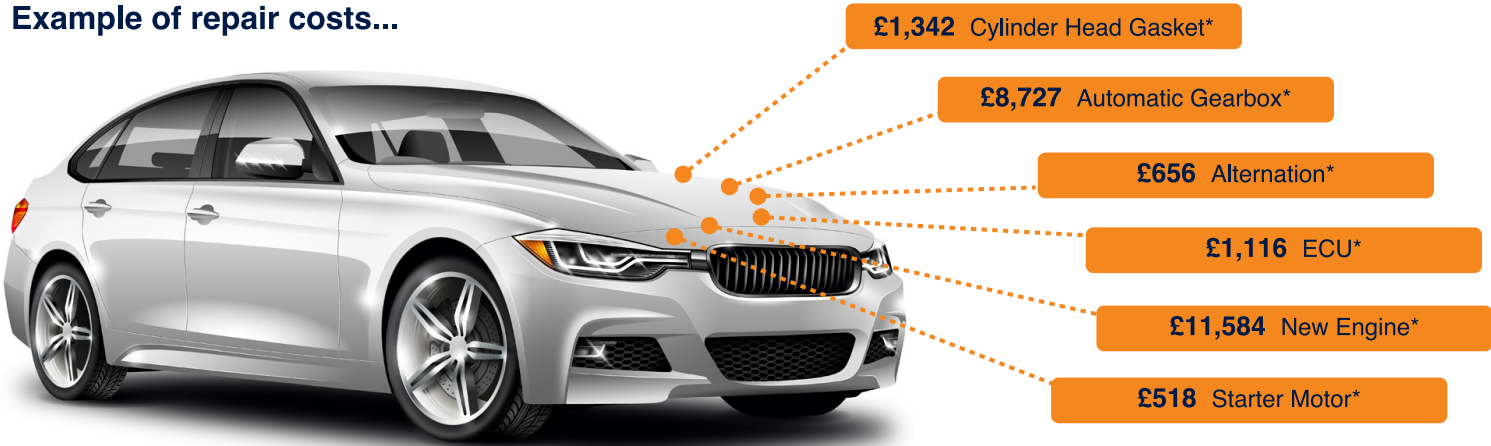

Premium:
Almost all (factory fitted) mechanical and electrical components of your vehicle are covered.

*(Please ask us for more information and prices)

Vehicle qualification

Bluechip Warranty offer three cover levels which cater for ALL vehicles of varying age and mileage. Parts, labour and VAT is claimable, along with recovery and car hire.

Example of repair costs...

*Prices shown are typical for parts, labour and VAT. Example costs based on BluechipWarranty claims paid during 2019.
